

Accessibility and Equality Statement

At Tranquil Turtle Studios, we are committed to ensuring that our games, resources, and website are accessible, inclusive, and equitable for all learners, educators, and partners.

Our Commitment

- We design our products with accessibility in mind, following recognised standards such as the Web Content Accessibility Guidelines (WCAG) 2.1 AA.
- We strive to remove barriers so that children aged 4–18, regardless of ability, background, or learning need, can benefit from our games.
- We are committed to equality of opportunity and do not discriminate on the basis of age, disability, gender, race, religion, or any other protected characteristic under the Equality Act 2010.

What This Means in Practice

- Inclusive design: Our games are created with input from educators to ensure they are developmentally appropriate, accessible, and adaptable to diverse classroom needs.
- Local installation: Because our games are installed on school-managed devices, schools retain control over accessibility settings (e.g., screen readers, device-level adjustments).
- Clear communication: We use simple, educator-friendly language in our resources and provide visual supports to aid understanding.
- Continuous improvement: We regularly review our products and welcome feedback to improve accessibility and inclusivity.
